Sanctions

Sh. Ramakrishnaiah
19/1/55.

Serial No.

Letter No. 3006/ A 22-10-54 from the chairman, C.W.T.B, Bangalore re-construction of a storm water drain from sankey's reservoir to the valley ~~begun~~ below the Bangalore - Poona Railway lines.

submitted for perusal.

1) In go NL 16135-38/W.T.B 17-52-29 & 19-12-52 (flg D - page 18 of the collection) sanction was accorded ~~to the acceptance of the lowest tenders~~ to execute the II stage of the work at the lowest tenders cost of Rs 1,91,555 and to distribute the work to the two contractors viz sri. M.S. Ramaswamy and sri. D. Narasimhiah.

2) The estimate has been ~~modified~~ and reduced to Rs 1,27,060. This was also sanctioned in go. NL 6102-4/W.T.B. 7-54-4 & 25-8-54 (flg C - page 16 of the collection)

page 3 | 3) The ~~Board~~ Trust board while approving the modified estimate for Rs 1,27,060/- which was sanctioned in go & 25-8-54 (flg C - para 2 above), have passed a resolution to carry out the works at the schedule rates ~~where~~ where there are no tenders rates and to give the work to sri. Ramaswamy and sri. Narasimhiah, whose tender has already

Serial No.

been accepted. For the non-tendered items, during 54-55 the Works were ordered to be executed at 5¼% below the schedule of rates - vide go WL 5736-8/J.T.B. 9-54-28, 12-8-54 (flg B - pages 3 of the collection)

4) Hence the resolution of the T.B. to entrust the WORK to Sri. Ramamoorthy and Sri. Narasimhaiah, who were permitted to execute the work at the lower rates accepted (vide para 1 overleaf) may perhaps be approved, with the direction that for non-tendered items, they should be got executed at 5¼% below the scheduled rates as approved in the go dt 12-8-54 (flg B) A

5) While sanctioning the budget, provision was made for this work was deleted. The Chairman says that as I stage of the work has been completed at a cost of Rs 1,31,105-4-0, the execution of the II stage is necessary, which is a old work. as regards the question of giving additional grant does not arise. Steps may however be taken to meet the cost involved out of the advance given by govt during the current year, by suitable re-appropriation of the provisions already made and recoup the amount to govt. This principle was adopted wherever the amount required was found in excess of the amount B

OFFICE OF

The Chairman, City Improvement Trust Board, Bangalore.

No. 3006/54-5
Encls.

Date 16/18th October 1954

To.

The Secretary to Government,
Local Self Government and Planning Departments,
Bangalore.

Sir,

Subject:- Construction of a storm water drain from Sankey's Reservoir to the Valley below the Bangalore - Poona Railway Bridge.

Adverting to Government Order No.L.6102-4/I.T.B.7-54-4 dated 25-8-54 sanctioning the modified estimate for the above work, I write to state that sanction has been accorded in Government Order No.L.16135-8/I.T.B.17-52-29 dated 19-12-52 to distriubte the work between Sri M.S. Ramaswamy and Sri D. Narasimhaiya brother of the late Sri M. Narasimhaiya at the accepted tendered rates. As by virtue of the modified estimate the work of having the bed and slopes of the drain with stone slabs becomes a non-tendered item, it was resolved by the Board in its meeting held on 22-12-1953 that the work should be got executed by the same contractors whose tenders have already been accepted at the current schedule of rates for non-tendered item. A copy of the resolution of the Board is herein enclosed for ready reference. Approval was sought for in this Office letter No.798/54-55 dated 24-5-1954 to resolution (No.385) dated 22-12-53 of the Board. In the order of 25-8-54, sanctioning the modified estimate approval for the Board's Resolution has not been Comminicated.

The Engineer Officer reports that erosion is undermining the Duplicating Main of Malleswaram here and there and the Manhole is also damaged in one or two places and that is very

P.T.O.

necessary to put the work on hand immediately.

In these circumstances I request that kind approval of Government may kindly be communicated to entrust the work to the Contractors in accordance with the Board's Resolution. For the nontendered items current schedule of rates less 5½% according to Government Order No.L.5736-8/I.T.B.9-54-2 dated 12-8-54 sanctioning the proposal of the Board to get the Layout works executed during 1954-55.

Since writing this letter Government Order dated 14-9-54 sanctioning the Budget Estimates of the Board for the year -- 1954-55 has been received. A provision of Rs.1,14,250/- under work expenditure was made in the current years Budget estimates for this work and other works under the head "Unremunerative Works". In the sanctioned Budget Estimates this item has been deleted with the remarks that the Trust Board should not undertake any work of this nature. In this connection I write to -- state that an estimate for Rs.2,15,780/- was sanctioned in -- Government Order No.L.2080-3/Ml.42-48-2 dated 1-9-1948 and a sum of Rs.1,31,105-4-0 has already been spent for the Ist stage or the masonry portion of the Storm Water Drain and rivetting the sides and laying the sub-soil drains or the II stage would have been completed but for this modification. This work is therefore not a new work but an old sanctioned work which is half -- finished and should be completed immediately and handed over to Corporation for maintenance. Therefore the grant of Rs.1,14,250/- as provided for in the estimates is absolutely necessary and may kindly be sanctioned.

Early orders are solicited.

Yours faithfully,

B.V. Vittal Murthy

(B.V. Vittal Murthy) 15.10.54
Chairman I/C.

Ksr.

Proceedings of the Meeting of the Trust Board held on 22-12-1953.

Subject No.385.

Report No.303 dated 7-12-53 from the Engineer Officer of the Board, submitting a modified estimate for II Stage of construction of combined storm water and sub-soil drain from Sankey's reservoir to the Railway culvert across Bangalore Poona Railway line, amounting to Rs.1,27,060/- for approval of the Board.

Board Resolution:- "That the modified estimate for Rs.1,27,060/- for the II Stage of construction of combined storm water and sub-soil drain from Sankey's reservoir to the Railway Culvert across the Bangalore Poona Railway line be approved. It was also approved to carry out the works at the schedule rates, where there are no tendered rates. Further it was decided to give the work to the same contractor whose tender had already been accepted for the above work".
